

Our Delicious Gourmet Tuna Products

Who We Are

About Us

Our mission is to create delicious recipes for today's busy life, for people who are on the go, for people who don't want to sacrifice quality meals for lack of time. Our products are provide the convenience and ability to make delicious meals in minutes!

My Gourmet Products uses high quality fish and the freshest ingredients in all My Gourmet Tuna varieties. Our products don't MSG, and we closely monitor the mercury levels in the fish. MyGourmet only uses smaller, skipjack and yellowfin tuna due to their lower mercury levels as compared to other varieties.

Why Become an Independent Reseller?

Partnering with MGP is a win-win.

If you help people improve their nutrition, — or if you're looking for ways to make more money — then the MGP Reseller / Ambassador Program is for you.

Our reseller program helps you make money, build a business, help people with nutrition and become a leader in healthy living by offering nutritious on-the-go meals at affordable prices.

How it Works

Get Started

First, get started by completing our online form at

www.healthy-tuna.com/independent-resellers then we'll call to set up your reseller account and discuss how to reach your goals.

Get Up to Speed

Next, we will get you up to speed by teaching you how MGP can help people become healthier, eat better and save money by tapping into our tools, training, and support.

Get Paid

The last step is getting you paid! Earn a one-time cash bonus and monthly revenue share on all products you sell.

Partner Resources for Success

When you do well, we do well. That's why MGP offers our successful resellers a range of exclusive, partner-specific resources, including:

- Turn-key sales solutions and professional marketing tools
- Reseller website with eCommerce store
- Business-in-a-box tools
- An expert Account Manager dedicated to your business
- Client hub to manage all your clients in one place
